Contract of Purchase and Sale

INFORMATION ABOUT THE CONTRACT OF PURCHASE AND SALE **RESIDENTIAL**

THIS INFORMATION IS INCLUDED FOR THE ASSISTANCE OF THE PARTIES ONLY. IT DOES NOT FORM PART OF THE CONTRACT AND SHOULD NOT AFFECT THE PROPER INTERPRETATION OF ANY OF ITS TERMS.

1. **CONTRACT:** This document, when signed by both parties, is a legally binding contract. READ IT CAREFULLY. The parties should ensure that everything that is agreed to is in writing.
2. **DEPOSIT(S):** In the *Real Estate Services Act*, under Section 28 it requires that money held by a brokerage in respect of a real estate transaction for which there is an agreement between the parties for the acquisition and disposition of the real estate be held by the brokerage as a stakeholder. The money is held for the real estate transaction and not on behalf of one of the parties. If a party does not remove one or more conditions, the brokerage requires the written agreement of both parties in order to release the deposit. If both parties do not sign the authorization to release the deposit, then the parties will have to apply to court for a determination of the deposit issue.
3. **COMPLETION:** (Section 4) Unless the parties are prepared to meet at the Land Title Office and exchange title documents for the purchase price, it is, in every case, advisable for the completion of the sale to take place in the following sequence:
 - (a) The buyer pays the purchase price or down payment in trust to the buyer's lawyer or notary (who should advise the buyer of the exact amount required) several days before the completion date and the buyer signs the documents.
 - (b) The buyer's lawyer or notary prepares the documents and forwards them for signature to the seller's lawyer or notary who returns the documents to the buyer's lawyer or notary.
 - (c) The buyer's lawyer or notary then attends to the deposit of the signed title documents (and any mortgages) in the appropriate Land Title Office.
 - (d) The buyer's lawyer or notary releases the sale proceeds at the buyer's lawyer's or notary's office.

Since the seller is entitled to the seller's proceeds on the completion date, and since the sequence described above takes a day or more, it is strongly recommended that the buyer deposits the money and the signed documents at least two days before the completion date, or at the request of the conveyancer, and that the seller delivers the signed transfer documents no later than the morning of the day before the completion date.

While it is possible to have a Saturday completion date using the Land Title Office's electronic filing system, parties are strongly encouraged not to schedule a Saturday completion date as it will restrict their access to fewer lawyers or notaries who operate on Saturdays; lenders will generally not fund new mortgages on Saturdays; lenders with existing mortgages may not accept payouts on Saturdays; and other offices necessary as part of the closing process may not be open.

4. **POSSESSION:** (Section 5) The buyer should make arrangements through the REALTORS® for obtaining possession. The seller will not generally let the buyer move in before the seller has received the sale proceeds. Where residential tenants are involved, buyers and sellers should consult the *Residential Tenancy Act*.
5. **TITLE:** (Section 9) It is up to the buyer to satisfy the buyer on matters of zoning or building or use restrictions, toxic or environmental hazards, encroachments on or by the property and any encumbrances which are staying on title before becoming legally bound. It is up to the seller to specify in the contract if there are any encumbrances, other than those listed in section 9, which are staying on title before becoming legally bound. If you as the buyer are taking out a mortgage, make sure that title, zoning and building restrictions are all acceptable to your mortgage company. In certain circumstances, the mortgage company could refuse to advance funds. If you as the seller are allowing the buyer to assume your mortgage, you may still be responsible for payment of the mortgage, unless arrangements are made with your mortgage company.

7. **CLOSING MATTERS:** The closing documents referred to in sections 11, 11A and 11B of this contract will, in most cases, be prepared by the buyer's lawyer or notary and provided to the seller's lawyer or notary for review and approval. Once settled, the lawyers/notaries will arrange for execution by the parties and delivery on or prior to the completion date. The matters addressed in the closing documents referred to in Sections 11A and 11B will assist the lawyers/notaries as they finalize and attend to various closing matters arising in connection with the purchase and sale contemplated by this contract.
8. **RISK:** (Section 16) The buyer should arrange for insurance to be effective as of 12:01 am on the completion date.
9. **FORM OF CONTRACT:** This Contract of Purchase and Sale is designed primarily for the purchase and sale of freehold residences. If your transaction involves: a house or other building under construction, a lease, a business, an assignment, other special circumstances (including the acquisition of land situated on a First Nations reserve), additional provisions, not contained in this form, may be needed, and professional advice should be obtained. In some instances, a Contract of Purchase and Sale specifically related to these circumstances may be available. Please check with your REALTOR® or legal professional for more information. A Property Disclosure Statement completed by the seller may be available.
10. **REALTOR® Code, Article 11:** A REALTOR® shall not buy or sell, or attempt to buy or sell an interest in property either directly or indirectly for himself or herself, any member of his or her immediate family, or any entity in which the REALTOR® has a financial interest, without making the REALTOR®'s position known to the buyer or seller in writing. Among the obligations included in Section 53 of the Real Estate Services Rules: If a licensee acquires, directly or indirectly, or disposes of real estate, or if the licensee assists an associate in acquiring, directly or indirectly, or disposing of real estate, the licensee must make a disclosure in writing to the opposite party before entering into any agreement for the acquisition or disposition of the real estate.
11. **RESIDENCY:** When completing their residency and citizenship status, the buyer and the seller should confirm their residency and citizenship status and the tax implications thereof with their lawyer/accountant.
12. **AGENCY DISCLOSURE:** (Section 21) All designated agents with whom the seller or the buyer has an agency relationship should be listed. If additional space is required, list the additional designated agents on an addendum to the Contract of Purchase and Sale.

If the seller cannot obtain the occupancy permit by the completion date, then the seller will give the buyer written notice. Any extension to the completion date will be made by mutual agreement of the seller and buyer. Provided always, that the completion date shall be extended for a period equivalent to the length of time in completion of construction of the dwelling is delayed caused by unforeseen circumstances, including, without limitation, time lost due to strikes, climate conditions, acts of God, or other circumstances beyond the control of the seller. There shall be no fee for an extension of the contract.
